

8th Annual 2025 International Hawaii Cardiovascular Symposium
February 6th and 7th, 2025
Honolulu, Hawaii

We are pleased to announce the upcoming **“8th Annual International Hawaii Cardiovascular Symposium (IHCVS)”** taking place at John A. Burns School of Medicine, University of Hawaii at Mānoa in Honolulu, Hawaii (February 6th and 7th, 2025)

The Symposium will explore the latest basic medical research on cell death, mitochondrial dynamics, autophagy, with a specific focus on heart failure. The program will host session talks by international experts on stem cell biology and myocardial repair, mitochondrial dynamics, autophagy, necrosis, and metabolism with a major focus on translating basic and clinical science to clinical heart failure. The Symposium is sponsored by John A. Burns School of Medicine, University of Hawaii at Mānoa, and the St. Boniface Hospital Albrechtsen Research Centre, Winnipeg, Canada.

Please visit our website for more information. <https://abp.jabsom.hawaii.edu/ihcvs/>

We have poster sessions for junior investigators. Please submit your abstracts for poster presentations to Ms. Kairee Ryplanski kryplanski@sbrc.ca by **January 22, 2025**.
